NEW

4. Havasupai Cañon
5. Organ Pipe Cactus NM
6. Pueblo Bonito (Chaco Cañon)
7. Moab area rock hunting
8. Canyonlands
9. Cedar Breaks
10. Rt 60 PHX ⟷ Socorro (Datil)

10 June

Phoenix

White Tank Regional Park

practically empty campground

groceries · Gila Bend $35

11 June
± 1000 ft

South on Rt 85
To Organ Pipe N.M.
Sonoran Desert 105° F
total range of organ pipe cactus in US is in this park -
Quail curved bill thrasher
Cactus wren
chain fruit cholla
organ pipe cactus
Hower of Saguaro

walked around ~~park~~ camp ground in dark - great sky
warm / hot

leisurely morning - pictures
birds flowers —

12 June

Visitor center - $10 - Flower book
nature trail 2 - cards

South on 85 TO Sonoyta Mexico

hit the fence at the Border - ! WOW !

lunch in Sonoyta - interesting
exch - 600/$1
deathly hot

North on 85 - 22 mile guided auto tour of Mt Ajo
WONDERFUL

East on 86 - Past Kitt Peak

Catalina State Park
Very populous ! + cool after sundown

card to JEM
HCQ

13 June

Spent morning in Tucson - window plus groceries + Laundry

$6 - cards + book de Grazia
$2 cig
→ $2.50
$10.00
park Fee

museum of artwork of T. de Grazia, Arizona artist - 1909 - 1982

back to Park - 106°F
we are dump
took walk on trail with misleading signs. Saw 2 LARGE Jackrabbits.
Mesquite BOSQUE

Catalina St Park 2700 ft.

sound of white turned down

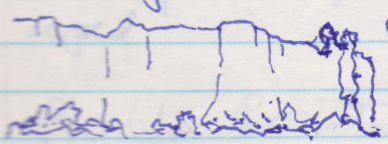
14 June

Drove around park then headed north to Globe - ate lunch at El Capitan pass. Between Globe & Show Low crossed the gorge of Salt R Spectacular (+ hot)
→Mogollon Rim←
Show Low, Arizona
small S.W. town
Forest service park in a Ponderosa forest - beautiful - and surrounded by traffic!

100°F (day) 60°F night ?? 7000 ft
Lakeside Park - US Forest Serv.

Made egg salad in parking lot while Pat went to church! 15 June

North through cattle ranch land - scrubby - occasional streams in valley - green grass miles + miles of fence - not much else - windmills now + then.
Zuman Lake SP for lunch - red mud swallows' nests -
drove thru areas of lava - ss mesas - Zuni land. Town of Zuni. Triple bale ovens. apparent preparations in town several costumed people on street heading toward plaza?
Inscription Rock - people



have been writing names here for 3 centuries + more
El Morro Campground 7200 pinon - juniper scrub

groceries - $37

letter to Alice

16 June

Andy Pat + Betty climbed To top of El Morro - I had quiet "day at home" in parking lot -

drove past malpais, across Rt 40 and N thru incredible scrubland (pin. jun, grama grass, sage) mesas in the distance, road vanishing to a point 21 miles of corrugated washboard. CHACO! incredible!

visited 2 sites + attended campground talk before supper - + before discovering the alt battery is failing - oh well, we coped

Pueblo Bonito

17 June

Chaco! Incredible!
Spent am in Pueblo Bonito. It humbles the mind to think of people living, working, dying here. the layout + masonry is so beautiful, so harmonious it brings me close to tears Lost in a time warp alone with one companion in the cool shade of these ancient rooms time in visitor center well spent - hop in pm + then a hike to the top of the SS. scary, strenuous, but well worth it.

Pueblo Bonito

18 June

Cliff swallows wheel + glide in + out of their cliffside nests.

Visited Casa Rinconada in Aztec -

I drove out of canyon and north thru the scrubland. Changed drivers when we got to the highway -

Bloomfield, NM

Doing laundry showers grocery shopping + dinner out

HDA 5300'

card - KM
letter - HMQ's

19 June -

four corners
many vendors - bought
turquoise + watchband

beautiful drive into Navajo
land - good feeling of coming
back to a familiar place

Monument Valley
Navajo tribal Park

20 June

Cady + I walked up high on the butte next to camp-ground — wonderful. The red ss has little pale layers + lenses in it — unoxided (anaerobic deposition?)

drove thru valley trail — rougher than I remembered but just as beautiful — visited the trading post at Oljato

Navajo Tribal Park

cards: Nan Y
Nancy J
Mr Lar

21 June

leisurely morning -
2 kinds of senecio
black throated desert sparrow
collected sand had fry bread
bought weaving Yeibichai
from daughter of weaver
(Ham band)
Mexican Hat + Gooseneck
fine Navajo lunch - lamb
back stew with Indian corn
(delicious) + fry bread
Had a look at Moki Dugway
from bottom - then on
to Moab - too late for
park, stayed commercial
very hot - had shower.

Slickrock Country 5000' (commercial
camp ground Moab Utah

22 June

Grocery shopping while Pat went to church. Coffee + roll in van then up to Arches for a campsite. Such a hot still day we decided to laze around camp until later in day. Slept + read.

Took trail in late pm - (4 or 5)

Arches NP campsite

23 June

Nature walk to Landscape Arch - didn't go all the way but had fun anyway less the 10" rainfall here - one leafed aspen service berry Utah juniper rock loren
Park visitor center - Moab for lunch + then shopping around HOT saved $80 by not buying anything ——

Arches NP

card - SEM
Copeland
AM
KM

24 June

AM in delicate arch parking lot, wandered around Chinle (or Monument)

Potash road
& #128 as far as
Big Bend park
↳ desert varnish

Rain
Mood KOA laundry

25 June

Edge of Cedars museum and ruins - nice exhibits but the gift shop was closed!

Natural Bridges - campground was full -

the area is de Chelly + Organ Shale - mostly the latter in great tree covered slopes - Monument Valley with trees!!

Buffalo Berry

Deer Flat road - neat

26 June

Sprint arm on bridge loop - beautiful as before.

Very hot high

Hall's crossing campground

27 June

Ferry across River at 8am - big breakfast at marina -

Drove to Hanksville - Stopt at Shirley's rock shop dinosaur bone sphere

Slept thru drive to Capitol Reef -

Hot + logey the rest of the day ——

visitors center

visited Florida Utegaby for dinner

Capitol Reef Cmpgd

card: AH
JAQ

28 June

walked grand wash
beautiful scenic - and very
hot + dusty -
drove scenic drive
picture - pet tree in chute
late afternoon I walked
up the trail past orchard
+ halfway up Moenkopi
Sat on rock - serene view
of valley - timelessness
Here you can see the wash
of the stream - in grand
wash it is not so clear -

went to town - not much there!

Capitol Reef

29 June

beautiful drive from Capitol Reef to Red Canyon through miles of Navajo sand dunes, gorges etc

Short stop at Kodachrome basin - interesting but with 12 mi of corrugated road ??

fabulous view of Wasatch as coming up Rt 12 to Red Canon

Red Canyon ≡ Forest
US

3D Scene

walked out from camp-ground. quiet + beautiful found ungulate skull, ~~fish~~ rib, vertebrate all notched hanging on tree ?!?

walked halfway to spectra point - flowers everywhere

10,080 FT 50°F

Cedar Breaks NPS Campground

1 July

pictures down over slope
bluebells, fir trees
a little engine trouble
walked to Alpine pond
bristle cone pine

Kanab - Victorian house

Pat, Betty + I swam in beautiful
lake Powell -

crowded commercial - Wahweap - Lake
Powell

card: SEQ

2 July

Early start to GC - stopped at Glen Canyon dam took side trip to Moenkopi interesting village (Hopi!) with houses built of moenkopi rock Navajo lunch - fry bread + hominy stew -

got to Desert view mid aft - rested awhile + then wandered around gift shop with Betty - boy! I Gambel's quail pin (certainly suffer a lot thinking about thing to buy!)

Desert View - grand canyon

Card PRQ
MBQ

3 July

Left Desert View early (for us) and bopped down South rim stopping at all view points - impressive also Tusayan village.

Cliff rose everywhere blooming

dumped + filled at GC ~~village~~ Village - hordes of people everywhere - fled.
Stopped at Flintstones "bedrock" for lunch.

Long crowded drive to Flagstaff - finally piece + quiet! Sunset Crater camp sounds made by bird feeder

RAIN!! 4 July

Museum of No. Arizona
special Hopi craftsmen
exhibit -
Great museum -

grocery shopping -

camp ground talk
Volcanoes + plants
Sunset Crater Campground

5 July

great day - sunset crater trail in am and on to Wupatki

Apache plume

the hummingbirds are fantastic - broad tailed + rufous -

campground talks -
"Rock Art"

Sunset Crater 7000 ft

6 July

Stopped in Flagstaff for church

Mogollon Rim

drove thru Oak Creek Canyon. Spectacular down thru Paleozoic Seds. ponderosa -

Stopped in Sedona - throng of shoppers.

Tlaqueplaque - lunch shopped a bit

walked to Verde River

summer tanagers

Dead Horse Ranch State Park 3300 ft

7 July

To Jerome - old mining
Town - 1880-1953 -
Steep on hillside

desert willow - flowers &
beans look like catalpa
leaves look like willows —

a beautiful peaceful
place - mesquite grove
Dead Horse

8 July

Stopped at Sedona
Food at Grass

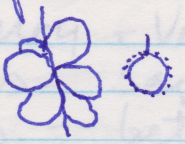
Stop at Jerome on way out of town - it *is* a charming place! Rt 89A is spectacular

the rest of the day was a drive getting to Phoenix hot HOT HOTTER why would anyone want to live here?

Saguaro cacti as we come down off the mountains

Best Western motel - 600 the night was hot and the stars are ~~[illegible]~~ DIM

Buffalo berry



one seed
orange juice

Roll #7
GC - Sunset

June 86

- Mercury + Venus - West
- Mars - Sagittarius
- Jup. - bet Capricorn + Aquarius
- Saturn - near Antares in Scorpius

Uranus. Ophiuchus near Scorpius

Sunset crater
16" rain annual

Sierra Sinagua - mountain without water - (San Francisco)
Sinagua culture contemporaneous with Anasazi but with notable differences —

small bottle

Entrada sand is small grained faceted, frosted well sorted suggesting desert origen.

Dewey Member - mud & silt - soft

Uranium ore - carnotite

CH Sym
45° / lower CH Sym
curve on Col R

petroglyphs - Colo R S. Moab
San Rafael Fremont culture
600 ad → 1300 ad
& bodies, shields
horns
